

# BEAR CUB HUB IS COMING

Starting April 1, your student portal will transition to the Bear Cub Hub, bringing registration, financial aid, student payments, and many other tools together in one place with improved security and a more streamlined experience. Here's what to expect:

## Registration

You will use the Bear Cub Hub to register for Spring, Summer, and Fall classes. This is where you'll search for classes, add or drop courses, and view your schedule. If you're returning to SRJC, the registration experience will look different than in past semesters.

## Financial Aid

You will access financial aid and scholarship tasks through the Bear Cub Hub. This is where you'll check your financial aid status and see any requests or next steps from SRJC.

## Student Payments

Student payments will move to a new system called TouchNet. The new system offers more flexible payment management and will be accessible through the Bear Cub Hub.
